Horn in F

\( \frac{3}{4} \) = 76 - 176 as skill allows. Resist exaggerating the last note. Let the notes rise & fall into place - resist a forced lip slur.

Execute the following in the same manner as above: Start on B-flat Horn and descend: 0, 2, 1, 1+2, 2+3 - Switch to F Horn: 0, 2, 1, 1+2, 2+3.
